

THE CAGED SERIES

urban fantasy romance by *USA Today* bestselling author amber lynn natusch

A Complete 9-Book Series

YOU CAN NEVER ESCAPE YOUR INNER DEMON.

Waking up naked in the snow-covered New Hampshire woods, bathed in blood, was some next-level scary. Worse still was not knowing whose it was or how I'd gotten there in the first place.

Ever since these blackouts hijacked my life, I've felt like there's something seriously wrong with me—something I can't even begin to understand.

Cue the two sexy strangers who serendipitously enter my life and seem to have the answers I'm looking for—answers neither want to give up easily. But once they do, I'd give anything to go back to the blissfully ignorant life I had. The one that didn't involve things like danger and death—and predatory creatures that shouldn't exist.

Now my life is on the line, and I'm forced to trust either the smooth-talking heartbreaker or his green-eyed rival.

And if I choose poorly, the next pool of blood I wake up in might just be mine.
