

# THE UNBORN SERIES

urban fantasy romance by *USA Today* bestselling author amber lynn natusch

## A Complete 5-Book Series

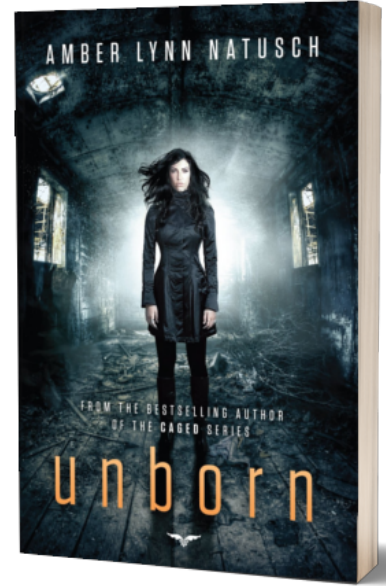

I was born into mystery—then shackled to darkness.

As the adopted daughter of Hades, I spent centuries discovering everything there is to know about the Underworld—except my place in it. Then a Dark One tore me from my home, and suddenly, solving the riddle of my origins is a matter of life and death.

While I race toward answers, evil stalks me through the dark alleys and shadowed streets of Detroit, hungry for what I am.

The closer it gets, the tighter necessity binds me to the lost family I discover and the surly fallen angel living in their home. His arrogant and brooding nature is untenable, but there is a fierceness buried deep within that seems to spark where I am concerned. And though I loathe him, I'll need his help against what hunts me.

Because there are fates far worse than death. Even for the daughter of the Underworld.
