

KAREN C.P. McDERMOTT

author of spicy romantasy and spicy hockey romance

KAREN C.P. McDERMOTT is an award-winning Romance author from Connecticut. She grew up reading historical romance novels and had dreams of one day writing them. When she discovered Romantasy and realized she could combine her two favorite genres, a new calling was born. She also later found hockey and now writes hockey romance under the pen name K.C. McDermott. When not writing, Karen makes wine, gardens, does pottery, and conducts scholarly research on 'trash talk.' She's been cited as an expert on this topic by ESPN and the BBC. The results of her doctoral dissertation are discussed in her debut hockey romance, *Pucking Mad About You*.
